

Investor Relations Manager (f/m/d)

Delivery Hero is building the next generation global online food-ordering platform. Our awesome international team already operates in 40 countries worldwide to ensure hungry customers get the fastest way to their favorite takeaway food. The company has grown from its inception in 2011 to become the world's largest food-ordering network. This is an exciting time for Delivery Hero with a huge and rapid amount of growth in countries, market size and opportunities.

We are looking for an **Investor Relations Manager (f/m/d)** to join our IR Team on its mission as soon as possible.

What's on your menu?

- Identify, qualify, prioritize and approach buy and sell side targets
- Participate in capital market events such as non-deal roadshows and capital market days for management
- Track and report performance metrics (e.g. meetings, trading volume, peer analysis, etc.)
- Manage your own institutional and analyst relationships, shareholder inquiries on routine matters and respond to inbound investors
- Help coordinate announcements as well as take ownership of Delivery Hero's Investor Relations webpage
- Further develop the Delivery Hero equity story and prepare investor communication, presentation materials, including corporate presentation, fact sheet, press releases, quarterly earnings scripts and Q&A

What do you bring to the table?

- We require 3-4 years professional experience
- You have excellent English communication skills
- You love working in a dynamic work environment and can lead multiple projects in a results-based team environment
- You have excellent planning, organizational skills, excellent attention to detail and strive for continuous improvement
- You can communicate fearlessly to build trust across the organization and have the proven ability to handle highly confidential and sensitive information
- You are client-focused; professional manner and the confidence to interact with senior team/clients
- You are comfortable with a dynamic and high pressure, entrepreneurial environment

What do we feed you with?

- A dynamic, fast paced environment in a recent-IPO company
- Motivated team striving for high quality outputs
- Collaborative environment with experienced colleagues
- International office environment with English as working language
- Flexible and agile company with flat hierarchy

Have we caught your attention?

Then please send us your application including cover letter, CV, salary expectations and earliest starting date.

We're looking forward to your application!
