FIND THE RIGHT MARKET FIT

TO ACCOMPLISH YOUR GOALS

The Best Market

- Best in class, industry leading companies
- Supports an active U.S. engagement strategy
- Comparable compliance and trading solution to a U.S. Exchange
- Higher volume per security vs. Pink

The Venture Market

- For early-stage and developing companies
- Provides liquidity for companies' not yet eligible for OTCQX

The Basic Reporting Market

- Allows companies to provide baseline information and disclosure to comply with SEC rules

- No issuer involvement which leads to reputation risk and investor impact
- Companies have not certified their compliance or verified their information for the U.S. investors
- Reputational risk as data may be outdated or inaccurate
- Warning to investors to proceed with caution – includes companies in financial distress and bankruptcy

- Quotations in Expert Market securities are restricted from public view
- No public pricing, only a small subset can invest
